How to Fit a Hedgehog spikes

All packs come with professional warning signs which are text and pictorial. The warning sign is printed on 0.70mm plastic and are 81mm * 57mm in size.

These devices are legal as long as they are mounted on heights of over 6ft, not fitted as to be a deliberate means to injure and a weather proof warning sign is fitted in the area of fitment (Supplied – 1 sign per 10 strips).

The Hedgehog Spikes are easy to fit yourself using screws. We are happy to provide advice and assistance on this where possible.
